

PASTOR VACATION/STUDY LEAVE

During our off-season, when space is available, we gladly invite pastors and their immediate families to come for a relaxing “time away” and/or study leave. Normally, summers and holidays are excluded. The following discounts and conditions apply:

- Up to two, consecutive nights complimentary per year.
- Additional nights available at a 50% discount.
- Special prices are based upon availability.
 - Temporary reservations may be made up to four months in advance and we will give an assessment, based on prior years, as to the likelihood of the reservation being confirmed.
 - Reservations will be confirmed one month before arrival date for standard rooms and two weeks before for apartments, Averett rooms, or Cabins.

These special offers are intended for individuals and individual families coming alone and not with a group. They only apply to our rooms and do not apply to our lodges or dorms. They may not be applied to any of our normal camp, conference and retreat ministries.

When the Dining Hall is open, you may purchase meals at the following prices:

- Dinner on the day of arrival: \$7.00 per person (kids under three are complimentary)
- Breakfast on the day of departure: \$7.00 per person (kids under three are complimentary)
- Other days, up to three meals per day: \$16.00 per person (kids under three are complimentary)
 - Please know that these prices are for our Camp Style meals and you may be here during a time that we are serving our Retreat Style meals, which will be available to you at no additional charge.

Individual meals are not available other than the first and last day as noted above. Meal reservations must be made one week in advance.
